Crescent Systems, Inc. Invited to Global Aircrew Strategic Network Terminal Increment 2 Block 1 (GASNTi2) Acquisition Phase 2

Richardson, TX – February 26, 2021

Crescent Systems, Inc. (CSI) announced today the Department of the Air Force has invited CSI to submit a full Acquisition Phase 2 proposal in support of the Global Aircrew Strategic Network Terminal Increment 2 (GASNTi2) Block 1 Program. This invitation comes after an evaluation of CSI's whitepaper submission by the Government's GASNTi2 evaluation team. Acquisition Phase 2 will result in a full proposal submission and includes an initial prototype demonstration of the proposed solution at CSI's headquarters facility in Richardson, TX.

Crescent System's Director of Innovation Ryan Tinay commented, "We are extremely honored to be invited to participate in GASNTi2 Acquisition Phase 2 and are excited at the opportunity to host the Government's evaluation team."

About Crescent Systems, Inc.

Crescent Systems, Inc. (CSI) is a privately held Woman-Owned Small Business (WOSB) with several operating locations throughout the continental United States. Founded in 1995 initially to address the Defense community's multi-level secure defense messaging needs, CSI is a technology integrator providing multi-level secure Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) solutions to Department of Defense and State and Federal agency customers.

Our trusted solutions are implemented through robust secure voice, video and data multi-domain architectures and devices engineered to operate. As an established Systems Integrator supporting the Aerospace and Defense industry over the last two decades, CSI has a proven reputation for designing, developing, and certifying products and systems for integration into harsh and austere environments.
