Crescent Systems, Inc. Relocates Texas Headquarters To Collins Business Park

Richardson, TX – April 10, 2020

Crescent Systems, Inc. (CSI), has relocated its Texas Headquarters in Richardson from University Centre to Collins Business Park. The new operational site, still in Richardson, is located at 1155 E Collins Boulevard. The move stems from CSI's unprecedented growth over the last few years and will facilitate the planned workforce increase and grow in-house production and test capabilities.

“This relocation will enable us to continue to be an important part of Richardson’s diverse economy while maintaining our presence in the Defense and Public Safety industries,” said Ryan Tinay, Chief Innovation Officer for Crescent Systems. “We have a long history of delivering innovative solutions in support of our nation’s defense, and we’re excited to continue this legacy with this relocation.”

About Crescent Systems, Inc.

Crescent Systems, Inc. (CSI) is a privately held Woman-Owned Small Business (WOSB) with several operating locations throughout the continental United States. Founded in 1995 initially to address the Defense community’s multi-level secure defense messaging needs, CSI is a technology integrator providing multi-level secure Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) solutions to Department of Defense and State and Federal agency customers.

Our trusted solutions are implemented through robust secure voice, video and data multi-domain architectures and devices engineered to operate. As an established Systems Integrator supporting the Aerospace and Defense industry over the last two decades, CSI has a proven reputation for designing, developing, and certifying products and systems for integration into harsh and austere environments.
