### Crescent Systems, Inc. Attends UTD Job Fair

---

Richardson, TX – February 22, 2025

Crescent Systems, Inc. (CSI) participated in the Erik Jonsson School of Engineering & Computer Science Internship and Job Fair at The University of Texas at Dallas on February 19<sup>th</sup>.

CSI's HR Director Rodney Gaither and his team hosted a table at the job fair and were able to talk with students about engineering career opportunities at CSI.

Xavier Jones (Associate Director of Employer Relations at the School of Engineering & Computer Science) expressed his gratitude to CSI for its presence at the fair: "You braved the freezing temperatures and still interacted with students with a smile on your face. Your unwavering dedication does not go unnoticed and we at the Jonsson School of Engineering and Computer Science here at UT Dallas appreciate your support. Our students were ecstatic to meet with you and learn more about your opportunities."

#### About Crescent Systems, Inc.

Crescent Systems, Inc. (CSI) is a privately held Woman-Owned Small Business (WOSB) with several operating locations throughout the continental United States. Founded in 1995 initially to address the Defense community's multi-level secure defense messaging needs, CSI is a technology integrator providing multi-level secure Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) solutions to Department of Defense, State and Federal agency customers.

Our trusted solutions are implemented through robust secure voice, video and data multi-domain architectures and devices engineered to operate. As an established Systems Integrator supporting the Aerospace and Defense industry over the last two decades, CSI has a proven reputation for designing, developing, and certifying products and systems for integration into harsh and austere environments.

For further information, contact Ryan Tinay, Chief Innovation Officer.
