Crescent Systems, Inc. Supports Refresh Frisco for the Holidays

Richardson, TX – December 20, 2024

For the second year in a row, Crescent Systems, Inc. (CSI) gave some holiday cheer and support to Refresh Frisco, an area nonprofit group that delivers care packages filled with essential hygiene items to students in need every three months.

CSI employees donated hygiene items and money and then formed a lunchtime assembly line to fill 50 boxes with shampoo, soap, toothbrushes, toothpaste, lotion, and more. The boxes were delivered to Refresh Frisco before the holiday break.

About Crescent Systems, Inc.

Crescent Systems, Inc. (CSI) is a privately held Woman-Owned Small Business (WOSB) with several operating locations throughout the continental United States. Founded in 1995 initially to address the Defense community's multi-level secure defense messaging needs, CSI is a technology integrator providing multi-level secure Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) solutions to Department of Defense, State and Federal agency customers.

Our trusted solutions are implemented through robust secure voice, video and data multi-domain architectures and devices engineered to operate. As an established Systems Integrator supporting the Aerospace and Defense industry over the last two decades, CSI has a proven reputation for designing, developing, and certifying products and systems for integration into harsh and austere environments.
